Duo Gel Keyboard Wrist Rest - Loop Design - Green

Kensington Duo Gel Loop wrist rest Green:

Too soft, too hard, or just plain boring—most wrist rests on the market either lack real support or don’t add style to your desk. Kensington’s Duo Gel Keyboard Wrist Rests solve both issues with a sleek, two-tone design that adds personality without compromising comfort. Their soft-touch gel pillows provide lasting comfort and support for your wrists, while their built-in ventilation channels keep hands and wrists cool and dry. Unlike cheap foam alternatives, they won’t leak or flatten over time. The result is a wrist rest that enhances both comfort and style.
