Options & upgradability

Futureproof stackable post alternative

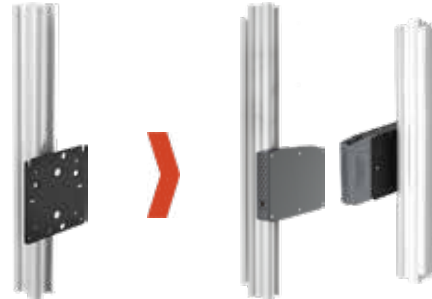

An alternative post is available with the ability to 'stack' and double in height, AWM-P40X. Use a single layer mount now, with confidence that you can double the post height for an additional ultrawide or other display/s in future.

Dual vertical mount using AWM-P40X stackable post, in black.

Ingenious accessories

Reclaim more of your desk space and secure your mini PC by fixing it to your monitor mount post with AC-MP mini PC mounting plate.
