Choose for high quality light

- Bright white light

Comfortable LED light that is easy on your eyes

- Designed for the comfort of your eyes
- No visible flicker

PHILIPS

Spot
3W (20W) GU5.3, White

Highlights

Bright white light

This bulb has a color temperature of 3000K providing you with a bright, warm light, perfect for creating an inviting ambiance to host friends or wind down with a book.

Perfect for accent lighting

This LED GU10 spot light provides a focused beam of bright light, perfect for creating extra dimension and depth with accent lighting.

Instant On

No need to wait: Philips LED light bulbs provide their full level of brightness immediately when they are

switched on. Just by flipping the switch, your room is at full brightness. There is no slow starting or waiting.

Gentle LEDs, easy on the eyes

It's easy to see how harsh lighting can strain the eyes. Too bright, and you get the glare. Too soft and you experience flicker. Now you can gently light up your world with LEDs designed to go easy on the eyes, and create the perfect ambiance for your home.

No visible flicker

When your light flickers in quick succession it could be hard on the eyes, cause headaches, and even set off an attack for those with photosensitive epilepsy. It's both unpleasant and unnecessary. LEDs can flicker because of their rapid response to the driver current. However, because Philips LEDs are designed so that variations in your driver current's output are minimized, they eliminate the factors that cause flicker. So, you won't see it, not even a hint.

Specifications

Bulb characteristics

- Cap/fitting: GU5.3
- Dimmable: No
- Shape: Spot
- Voltage: 12 V
- Wattage: 3 W
- Wattage equivalent: 20 W

Bulb dimensions

- Height: 46 mm
- Width: 51 mm

Durability

- Number of switch cycles: 50000
- Lifetime of lamp: 15000 hour(s)
- Average life (at 2.7 hrs/day): 15 year(s)
- Lumen maintenance factor: 0.7

Light characteristics

- Beam angle: 35 degree
- Color: White
- Color rendering index (CRI): 80
- Color temperature: 3000 K
- Light output: 250 lumen
- Light effect/finish: White
- Warm-up time to 60% light: Instant full light
- Starting time: <0.5 s
- Rated center beam intensity: 600 cd

Power consumption

- Energy efficiency label: A++

Other characteristics

- Mercury content: 0 mg
- Lamp current: 385 mA
- Power factor: 0.6

Rated values

- Rated lifetime: 15000 hour(s)
- Rated beam angle: 35 degree
- Rated luminous flux: 250 lumen
- Rated power: 3 W
