PRO AP241 11M-002US All-In-One PC

PRO AP241 All-in-One PC is equipped with an eye-care IPS panel meshed with strong computing performance to provide you the best work experience while also protecting your health. The 23.8 inch size, 2 color ways and slim design make PRO AP241 11M the perfect fit for any house or office work space. With an HDMI-out port, PRO AP241 allows you to extend your display to a second monitor up to 4K@60Hz giving you a larger digital work area to view multiple files and content. This is especially helpful when attending online conference calls to help you better view data while keeping your call screen open at all times. Connect the included MSI Full HD webcam and mount it to the monitor for seamless efficiency during your meetings.
