

2-to-1 RJ45 Splitter Cable Adapter - F/M

Product ID: RJ45SPLITTER

The RJ45SPLITTER 2-to-1 RJ45 Splitter Cable Adapter increases the number of RJ45 network connections on an RJ45 outlet, allowing two 10/100 Ethernet signals through a single Cat5/Cat5e wire.

On one end of the installation the splitter enables you to connect two patch cables from a hub or switch to a single port on a patch panel; while on the other end of the installation the splitter connects to a single Cat5/Cat5e network drop through a wall outlet which can then be split and connected to two separate devices. The patch panel and wall outlet are connected through a single Cat5/Cat5e cable.

Designed and constructed for maximum durability, this Ethernet Splitter Cable is backed by StarTech.com's Lifetime Warranty.

Certifications, Reports and Compatibility

Applications

- Allows two 10/100 Ethernet signals through a single Cat 5/5e wire
- Cannot be used to share a single network line with two computers - use a hub instead
- Ideal for 10/100Mbps Ethernet application (Not suitable for Gigabit network (1000Mbps))

Features

- 1x RJ45 Male to 2x RJ45 female connections

Hardware	Warranty	Lifetime
	Cable Jacket Type	PVC - Polyvinyl Chloride
	Number of Conductors	8
Connector(s)	Connector A	1 - RJ-45 Male
	Connector B	2 - RJ-45 Female
Physical Characteristics	Cable Length	13 in [330 mm]
	Product Length	13 in [330 mm]
	Product Weight	0.1 lb [0 kg]
	Wire Gauge	24 AWG
Packaging Information	Shipping (Package) Weight	0.1 lb [0 kg]
What's in the Box	Included in Package	1 - 2-to-1 RJ45 Splitter Cable Adapter - F/M
