

Logitech 920-002478 keyboard Office USB English Black

Brand : Logitech

Product code: 920-002478

Product name : 920-002478

- You'll enjoy a comfortable and quiet typing experience thanks to the low-profile keys that barely make a sound, and standard layout with full-size F-keys and number pad.
 - With its thin profile that keeps your hands in a more neutral position, spill-resistant design, durable keys that can withstand up to 10 million keystrokes and sturdy, adjustable tilt legs, this sleek keyboard not only looks and feels good – it's built to last. _x000D_
 - Setup is simple – you just plug it into a USB port on your desktop, laptop or netbook computer and start using it right out of the box.
 - The bold, bright white characters make the keys easier for everyone to read – and are perfect for those with less-than-perfect vision. They're less likely to wear off, too.
 - You get the high quality and reliability that's made Logitech® the global leader for keyboards and mice at a price you can afford.
- K120 Corded Keyboard

Keyboard		Sustainability
