

## TP-Link Omada IES208G network switch Managed Gigabit Ethernet (10/100/1000)

**Brand :** TP-Link

**Product family:** Omada

**Product code:** IES208G

**Product name :** IES208G

- 8x Gigabit Ports (6x RJ45, 2x RJ45/SFP Combo)
  - Professional Industrial-Grade Design: -40~75°C Operating Temperature, 6kV Lighting Protection, and 1+1 Redundant Power Input
  - Abundant Features: VLAN, QoS, and STP/RSTP
  - Centralized Cloud Management via the Web or Omada Appt
  - Durable IP40 Aluminum Casing and DIN-rail / Wall-mount Design
- IES208G Omada 8-Port Gigabit Industrial Easy Managed Switch

[TP-Link Omada IES208G network switch Managed Gigabit Ethernet \(10/100/1000\):](#)

### Enhanced Networking Stability and Security

1+1 Redundant Power Input

Equipped with dual power input ports and a wide 9.6-60V DC voltage range, ensuring continuous operation even if one power supply fails.

### Easy Operation and Maintenance with Omada's Free Cloud Management

| Management features                             |   | Data transmission                    |              |
|---|---|--------------------------------------|--------------|
| Switch type *                                   | Managed   | Switching capacity *                 | 16 Gbit/s    |
| Quality of Service (QoS) support                | ✓   | Forwarding rate                      | 11.9 Mpps    |
| Web-based management                            | ✓   | MAC address table *                  | 8000 entries |
| Cloud-managed                                   | ✓   | Jumbo frames support                 | ✓            |
| <b>Ports &amp; interfaces</b>                   |   | Jumbo frames                         | 15000        |
| Basic switching RJ-45 Ethernet ports quantity * | 6   | <b>Security</b>                      |              |
| Basic switching RJ-45 Ethernet ports type *     | Gigabit Ethernet (10/100/1000)  | IGMP snooping                        | ✓            |
| Combo SFP ports quantity                        | 2   | Static port security                 | ✓            |
| <b>Network</b>                                  |   | <b>Design</b>                        |              |
| Networking standards *                          | IEEE 802.1D, IEEE 802.1p, IEEE 802.1w, IEEE 802.3, IEEE 802.3ab, IEEE 802.3u, IEEE 802.3x | Wall mountable                       | ✓            |
| 10G support *                                   | ✗   | DIN rail mounting                    | ✓            |
| Port mirroring                                  | ✓   | <b>Power</b>                         |              |
| Flow control support                            | ✓   | Power source *                       | DC           |
| Link aggregation                                | ✓   | Redundant power supply (RPS) support | ✓            |
| Broadcast storm control                         | ✓   | DC input voltage                     | 9.6 - 60 V   |
| Auto MDI/MDI-X                                  | ✓   | <b>Power over Ethernet (PoE)</b>     |              |
| Spanning tree protocol                          | ✓   | Power over Ethernet (PoE) *          | ✗            |
| Auto-negotiation                                | ✓   | <b>Weight &amp; dimensions</b>       |              |
|   |   | Width                                | 129 mm       |
|   |   | Depth                                | 95 mm        |
|   |   | Height                               | 45 mm        |
