### Overview

The Hyperjuice C7 Extension Power Cord is the perfect addition to the 70W, 100W or 145W Hyperjuice USB-C GaN Chargers. Use the C7 Extension Power Cord alongside the C8 adapter to transform our USB-C GaN Wall Chargers into a desktop charging station. This provides a more secure attachment to the wall outlet as it will be the C7 Extension Power Cord, rather than the charger, that is plugged directly into the wall.

### Create A Desktop Charging Station

Use the C7 Extension Power Cord alongside the C8 adapter to transform from a wall charger into a charging station. This provides a more secure attachment to the wall outlet as it will be the C7 Extension Power Cord, rather than the charger, that will be plugged directly into the wall.
