TRIPP-LITE

15-Pin SATA Power Y Cable - M/2xF, 18 AWG, 6in. (15.24 cm)

MODEL NUMBER: P947-06N-2P15

Highlights

- Allows any 2 SATA hard drives to share a single power connection
- Compatible with 2.5 in. and 3.5 in. SATA drives
- Plug-and-play operation makes it easy to connect in seconds

Applications

• Connect 2 SATA drives to a single SATA power supply without having to upgrade the computer power supply

Package Includes

 P947-06N-2P15 15-Pin SATA Power Y Cable - M/2xF, 6 in.

Adds a SATA hard drive to a computer or server when no additional power supply wiring harness connectors are available.

Features

15-Pin Splitter Allows Additional SATA Drive to be Added to a Computer or ServerThis 15-pin SATA power Y cable allows an additional SATA hard drive to be added to a computer or server when no additional power supply wiring harness connectors are available. Simply unplug a SATA hard drive power cable from the existing SATA hard drive and connect the plug-and-play splitter to the power cable's 15-pin female end. Reconnect the old and new drives with the two new female 15-pin ends. This eliminates the need to upgrade the computer power supply for compatibility with an additional SATA drive.
