

OfficeAssist™ Shredder M200-HS Anti-Jam Micro Cut

Make your office more secure.

K52078AM

Product Description

With its P-5 micro-cut capability, ability to shred 15 sheets at once, long run time, anti-jam technology, and large 8-gallon/300-sheet bin, the OfficeAssist™ Shredder M200-HS Anti-Jam Micro Cut can help make any office more secure. Casters, a full bin indicator, and a touch panel add convenience, while a 240-minute continuous run time makes it an office workhorse.

Features

- Shreds up to 15 sheets at a time, including staples and paper clips. P-5 micro-cut shredding provides a higher level of security. Ideal for shredding sensitive and confidential documents.
- Quiet motor with anti-jam technology benefits the office with less noise and disruption. Motor automatically stops and reverses when too much paper is inserted, avoiding time-consuming and paper jams.
- A 240-minute continuous run time means this shredder will run longer without overheating, so your office can run more efficiently.
- A large 8-gallon/300-sheet bin supports longer shredding with less emptying. And a bin full indicator makes it easy to know when it's time to empty.
- Sturdy casters make it easy to use the shredder wherever you need it.
- Touch panel buttons deliver simple, intuitive operation.
