Product Description

With its slim, sleek design, the OfficeAssist™ Shredder M100S Anti-Jam Cross Cut is the perfect manual-feed shredder for offices with limited space. It features the ability to shred 10 sheets at once (P-4 cross-cut), anti-jam technology, and 6-gallon/225-sheet bin. Shreds papers with staples and paper clips. Intuitive touch panel makes operation simple.

Features

- Slim design makes it great for tight spots and offices with limited space.
- 10-Sheet P-4 cross-cut shredding is ideal for private documents. No need to remove staples and paper clips.
- Anti-jam technology automatically stops and reverses the blades when too much paper is inserted, avoiding time-consuming and frustrating paper jams.
- A 6-gallon/225-sheet bin with window helps shred more and empty less. The window makes it easy to know when the bin is full.
- Touch panel buttons deliver simple, intuitive operation.
