### A protective case that's two-in-one

Two materials ramp up the protection that this case provides. A shock-absorbing TPU(thermoplastic polyurethane) bumper wraps around the corners of your phone, and the phone's back is protected from damage with a layer of PC(polycarbonate).

### Show off your chosen hue

Transparent material on the back showcases the sleek design and bold color. And the pattern on the sides enhances the design and makes your grip more comfortable.

### Pick your angle

Prop up your phone to watch videos or make video calls, hands-free. On the back of the case is a Free Stop Hinge, which can be easily adjusted to your choice of viewing angles.
