

## Logitech C925e Business Webcam

**Brand :** Logitech

**Product code:** 960-001075

**Product name :** C925e Business Webcam

- Provides HD 1080p/30 fps and HD autofocus for true-to-life clarity in a fixed 78° field of view. Plus, RightLight 2 technology works in the background to adjust visual quality.
  - Features dual integrated omnidirectional mics optimised to clearly capture audio up to one meter away so conversations always sound natural and clear.
  - Supports H.264 with Scalable Video Coding (SVC) and UVC 1.1 encoding to minimize dependence on computer and network resources to produce remarkably clear video at all times.
  - The Logi Tune Desktop app simplifies personal device control with zoom in/out, colour presets, colour adjustments, set manual focus, and easy firmware updates.
  - Certified for Microsoft Teams and Skype for Business. Certifications and compatibility with other popular applications include Google Meet and Zoom.
  - Securely mount C925e wherever it works best—laptop, display or tabletop—with the adjustable clip or affix to your own tripod with the integrated thread.
- C925e Business Webcam

Performance		Weight & dimensions
